

Rectifier Diode Schottky 60V 4A 2-Pin SMC T/R

Images are for reference only

[Inquiry](#)

Manufacturer: [Vishay Intertechnology, Inc](#)

Package/Case: SMC

Product Type: Thyristors

Lifecycle: Active

General Description

Key Features

Low forward voltage drop

Guard ring for enhanced ruggedness and long term reliability

Small foot print, surface mountable

High frequency operation

Meets MSL level 1, per J-STD-020, LF maximum peak of 260 °C
