

## Diode Rectifier Bridge Single 1KV 10A 4-Pin Case GBU

Images are for reference only

[Inquiry](#)

**Manufacturer:** [Taiwan Semiconductor](#)

**Package/Case:** GBU

**Product Type:** Thyristors

**Lifecycle:** Active

### General Description

#### Key Features

700V Maximum RMS voltage

1000V Maximum DC blocking voltage

220A Peak forward surge current

94pF Typical junction capacitance
