

Trans IGBT Module N-CH 1200V 616A 7-Pin

Images are for reference only

[Inquiry](#)

Manufacturer: [Semikron, Inc](#)

Package/Case: MODULE

Product Type: IGBT Module

RoHS: RoHS Compliant/Lead free 

Lifecycle: Active

General Description

Key Features

IGBT4 = 4th generation fast Trench IGBT (Infineon)

CAL4 = Soft switching 4th generation CAL-diode

Integrated gate resistor

For higher switching frequencies up to 20kHz

UL recognized, file number E63532

Application

Power Management, Maintenance & Repair
